BIO

Experienced Frontend Developer with over 3 years of expertise in creating engaging and user-friendly web applications. Proficient in HTML, CSS, JavaScript, and various frontend frameworks, and equipped with a B.Sc. degree in Computer Science. Eager to transition into mobile app development as an entry-level Flutter developer, I'm excited to apply my frontend development skills to craft intuitive and visually appealing mobile applications. My objective is to deliver outstanding user experiences while continuously enhancing my proficiency in Dart and Flutter, contributing to innovative projects within collaborative teams.

EXPERIENCE HIGHLIGHTS

SMART CAMPUS | Frontend Developer Lead

Remote | Ekiti, Nigeria | Oct. 2022 – 2023.

- Collaborated with cross-functional teams to develop and implement highly interactive website and web applications.
- Translated wireframes and design mockups into responsive web pages using HTML, CSS, and JavaScript.
- Developed and launched both the website and Mobile Application.
- Conducted thorough testing and debugging to ensure the quality and functionality of the frontend code.
- Collaborated closely with designers and backend developers to ensure seamless integration of frontend and backend components.
- Implemented responsive web design principles to ensure optimal user experiences across various devices and screen sizes.
- Actively participated in code reviews, providing constructive feedback and suggesting improvements

BIOMETRIC GEO CONSULT | Frontend Developer

Contract | Abuja, Nigeria | Aug. 2022 – Oct. 2022.

- Contracted a job to develop a full functional website for Biometric Geo Consult Company.
- Worked as the frontend developer in the team.

PETRONG SOFTWARE SOLUTIONS | Intern

On-site | Lagos, Nigeria | Sept. 2020 – Sept 2022.

- Worked as an Intern in fulfillment to part of my B.Sc. Degree program.
- Assisted the development team in creating frontend components for web applications.
- Participated in code reviews and provided feedback to enhance code quality.
- Collaborated with senior developers to solve frontend development challenges.
- Gained practical experience in working with HTML, CSS, and JavaScript to build web pages.
